The 5 Cities Men's Club is a Community Service Organization.

The 5 Cities Men's Club ("5CMC") was established in 1996. All of the community contributions since inception have stayed in San Luis Obispo County.

We provide funding, technical skills or manual labor toward significant community projects and support many youth related organizations in our area.

The 5CMC has invested countless hours of volunteer work in Arroyo Grande, Grover Beach, Oceano, Pismo Beach and San Luis Obispo.

WHERE DO WE MEET?

We meet at Rosa's Italian Restaurant at 491 Price Street in Pismo Beach on Tuesday's at 12:10 pm. Meetings last for 90 minutes. We are a very casual group with few formalities.

Our focus at the meetings is a combination of comradery, discussion, good fun, great food, and guest speakers.

Board meetings take place monthly (typically at a member's home) where club business is managed and projects are planned.

All members are encouraged to attend.

Here are just a few of the amazing service projects and financial contributions the 5 Cities Men's Club has provided our community over the years.
